Massage 30min / 60min / 90min

Hot Stone	\$85 / \$124 / \$154
Deep Tissue	\$85 / \$119 / \$149
Relaxation	\$81 / \$109 / \$139
Therapeutic	\$82 / \$114 / \$144
Stretch	\$81 / \$109 / \$139
Prenatal	\$82 / \$115 / \$145

Hot Stone- Smooth massage stones are heated and used by the therapist to provide a relaxing massage experience that results in soothing aches and pains.

Deep Tissue- Offers a massage technique to target the deepest layer of muscles in order to release knots and ease chronic muscle tension.

Relaxation- A smooth, gentle, flowing style that promotes general relaxation, relieves muscular tension, plus improves circulation, and range of movement.

Therapeutic- Target's areas of discomfort in the body and provides relief to knots or tight bands of muscle fibers. Therapeutic massages are worth the temporary pain in order to gain the long-lasting benefits.

Stretch- The massage is specific to your pressure level of choice and will incorporate stretching techniques to increase flexibility, range of motion and aid in pain relief. Generally ½ of the session will be assisted stretching on the table or tailored to your request.

Prenatal- (Must be after 1st trimester) Prenatal massage requires different techniques, but provides the same wellness benefits to relieve stress and relax muscles. (Massage offered only while laying on side)
