Cookies and Similar Technologies

We use Cookies, pixels and other tracking technologies to track the activity on Our System and store certain information. Tracking technologies used are beacons, tags, and scripts to collect and track information and to improve and analyze Our System.

Cookies

Cookies are small data files that help us keep track of your usage of the System. Many of the cookies we use enable the System to function. Persistent cookies enable the System to remember things like your login information for convenience, and session cookies are useful for things like keeping items in your shopping cart when you navigate away from the page, all of which allows us to enhance the user experience. Cookies also enable us to track and analyze user behavior to help improve our System.

We can use a variety of categories of cookies on the System including strictly necessary, analytical, targeting, performance or other varieties of cookies within the System.

Pixels and other Tracking Technologies

We may also use pixels or other tracking technologies to automatically collect information when you visit our System. These technologies usually track advertising preferences from site to site, and gather data about users' browsing habits to improve the user experience.

Google Analytics

We use Google Analytics to help create reports and statistics on the performance of the Site. Google Analytics collects information such as your IP address, device type and operating system, referring URLs, location and pages visited. If you do not want Google Analytics to be used in your browser, you can install the "Google Analytics Opt-Out Browser Add-On," provided by Google.

We may also collect information that Your browser sends whenever You visit our System or when You access the System by or through a mobile device.

Information from Third-Party Social Media Systems and websites

Our System may contain links to other websites or specifical promotional links. These websites/links may have privacy policies different from our Privacy Policy. The System may also contain certain social media icons or widgets. Although you can view the material we have linked to, you may have to create an individual account or register to use these third-party social media sites to use interactive features. Any interaction on social media or other third-party websites is governed not by this Privacy Policy but by the terms of use and privacy policy of the particular platform/website.

How is User Information Protected?

The Company will take all steps reasonably necessary to ensure that Your data is treated securely and in accordance with this Privacy Policy and no transfer of Your Personal Data will take place to an organization or a country unless there are adequate controls in place including the security of Your data and other personal information.

- We make reasonable efforts to maintain administrative, physical, and technical safeguards for all Personal Information collected in our Systems, designed to protect your Personal Information from unauthorized access and processing, loss, destruction and damage. Unfortunately, the transmission of information via the internet is not completely secure, we cannot make any guarantees as to the security or privacy of your Personal Information.
- We retain data collected from you only for as long as necessary to complete the intended purpose for which it was collected and intended.

Children's Privacy

Our System does not address anyone under the age of 13. We do not knowingly collect personally identifiable information from anyone under the age of 13. If You are a parent or guardian and You are aware that Your child has provided Us with Personal Data, please contact Us. If We become aware that We have collected Personal Data from anyone under the age of 13 without verification of parental consent, We take steps to remove that information from Our servers. If We need to rely on consent as a legal basis for processing Your information and Your country requires consent from a parent, We may require Your parent's consent before We collect and use that information.

Changes to this Privacy Policy

We may update Our Privacy Policy from time to time. An updated version of our policy will be available on our website at www.evexia-wellnessspa.com. You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted.
